MEDICAL SUPPLIES (PTY) LTD.

# Six good reasons why.

## 1. Over 60 years of industry expertise.

Our company was formed in 1960 as a family business. And even after all these years while gaining experience and expertise in the field we continue to operate with those traditional values.

## 2. Comprehensive specialist professional services.

We are licensed as a Medical Devices and a Pharmacy wholesaler with SAHPRA. Our national delivering Capacity enables us to service and deliver anywhere in South Africa.

## 3. Quality guaranteed.

We stock an immense range of medical supplies, medical equipment, first aid kits, and pharmaceuticals. We have a range from Philips to Thomas EMS, Pelvigrip, Medisplint, Welch Allyn and Burn Shield as well as our own top-quality YMS branded products. We only source products that conform with recognised Quality Manufacturing Standards.

## 4. Competitive pricing.

Our bulk buying capacity allows us to hold stock and pass the savings on to our customers, providing unbeatable brand value - great quality products at unbelievable prices.

## 5. Local content.

We have strong bias for South African manufactured and quality controlled products.

## 6. BBBEE.

As a 100% black owned company with a diverse staff complement, we are fully committed to the principles of transformation.

## Brands in our care.

We carry a vast range of reputable brands  
as well as our very own specialist product ranges.
